

No. 59011/3/2016-D(HAL-II)/EA
Government of India
Ministry of Defence
Department of Defence Production

Sena Bhavan, New Delhi.
Dated: 18th January, 2017

To

The CMDs of all DPSUs

Subject: Formulation for Deemed Registration of Vendors.

Sir,

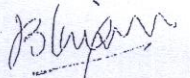

In order to enhance ease of doing business, it has been decided that all DPSUs should provide for 'deemed registration' of vendors who are registered with one or more other DPSUs for the specified product.

2. Accordingly, the formulation, provided below, may be included appropriately in the Purchase Manual of the DPSUs who do not have such a provision already:-

"Vendors registered in other Defence PSUs will be considered as Deemed Registered. This Deemed Registration will enable the vendors to participate in all future tenders of DPSUs for similar category of goods/services subject to fulfilment of other eligibility criteria indicated in the RFQ. However, prior to placing of order, in case the vendor is selected after following the due process/procedure, all the formalities relating to completion of regularization of the Registration Process as per the extant procedure of this will have to be completed".

3. This issues with the approval of Secretary (DP).

Yours faithfully,

(B Kujur)

Under Secretary to the Govt. of India
